

ONCE, IN A SQUAMOUS CELL...

...SAT A SAD HUMAN PAPILLOMA VIRUS, NAMED HPV.

But I don't want to cause cancer!

BUT THINGS HAD ALREADY BEGUN TO CHANGE... A DYSPLASTIC STORM...

But I can't stop!

huh!?

BUT THEN THE GROUND BEGAN TO SHAKE...

SUDDENLY SHE WAS
TRANSMITTED TO ANOTHER
PLACE

Where am I?

OOOF!

Well, the **CERVICAL**
LAND OF OS
of course!

What do you mean?
I was just transmitted
here? How do I
get back home?

Yes! She can
help you get back!

Go see the
great Os!

She can
grant your
wishes too!

It's easy to
find her!

Wow! OK! Maybe she can
help me get home... AND
help me not cause cancer!

Thanks for
your
help!

Just follow the
yellow discharge!

Goood
luck!

Hi!
Oh! Hi there!
Who are you?

I'm
Herpes Virus!
Have you
seen a
nerve
anywhere?

No, but maybe the
magical cervical Os can help you!

If I only
had a nerve!

If I only
had the
Heart
to not
cause cancer!

follow the
yellow discharge!
follow, follow, follow

follow, follow
the yellow
discharge!

Ahh! What
was that?!

*Whistling
a tune*

Oh! Sorry to startle you. I'm syphilis!

Hey, seen the brain anywhere, by chance?

No, but we are going to see the cervical Os - maybe she can help!

I'm looking for the heart!

The nerve!

The brain!

We're off to see the cervix, the Wonderful Cervical Os!

whistling

Boo hooooo!!!

Why are you crying, little clam?

Oh! I'm just so sad! I used to have a beautiful home inside a cell, and I've been evicted!

LYDIA THE CLAM

Come with us! I'm sure the Great Os can help!

If I could only find the brain!

The heart!

At home!

BUT THEN, THINGS BEGAN TO CHANGE IN THE CERVICAL LAND OF OS...

THE PURULENT DISCHARGE BEGAN TO SMELL...

A nerve!

We're off to see the Cervix! The wonderful Cervical OS!

THE TREES BECAME INFLAMMED...

Oh no! Something is wrong! We have to hurry to see the Great OS!

Hello! I am the great
 @s!

and what
 the f~k have
 you done!?

- on your quests you
 have destroyed this land!
 Selfish fools!

I... guess we lost
 sight of what was
 right...

What can
 we do to make
 this right?

YOU
 must take this
 Pencil of **PENICILLIN!**

That will
 fix this
 mess?

and

YOU

this Clover of ACYCLOVIR

- But...

(see)

and this doxin of DOXYCYCLINE

Dogs are a lot of responsibility...

AHH!

Handwritten scribbles and symbols, including a large '3' and 'u'.

BUT YOU

you cannot be killed...

you must live on
AND

Remember what you saw here today!

LIVE IN FEAR

ONE YEAR LATER...

SHE DIES... SAD, ALONE, AND VERY FAR FROM HOME

meanwhile...
